Name : **Eloise Beauchêne**

Age : 15

Role : The Follower

Motivation :

- Parents + family compare her to her brothers
- She feels the need to prove her intelligence
- Parents only criticise her failure
- Average at science but works hard

Intention :

- To study mechanical engineering in university : needs to be the best student to get the scolarship that will allow her to go there
- To have time with teacher to get extra tutoring
- Safety + Security for her future, feels that her only path to her parents' acceptance is through university

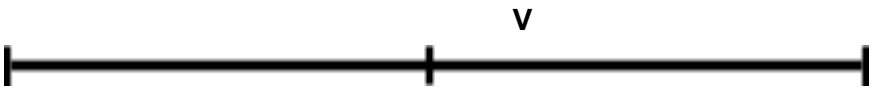

Obstacles :

- Girl cult is disrupting science lessons
- Girl cult is turning on her when she spends time with Pierre

Perception :

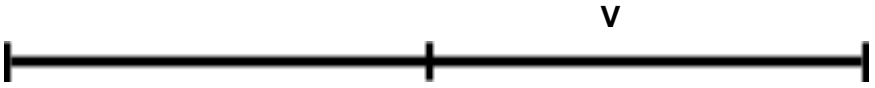

- Daphné is jealous of her because she is getting extra tutoring
- As soon as she is doing some rituals, the cult gets off her back

Blindness — Seeing

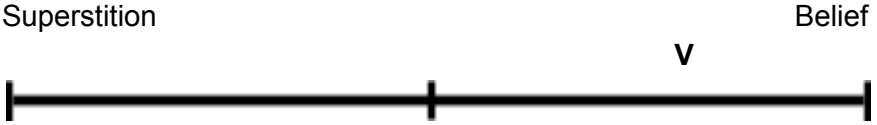

Understands the darkness of the cult, but cannot risk social exclusion. Blind to the real danger of the bullying.

Control — Power

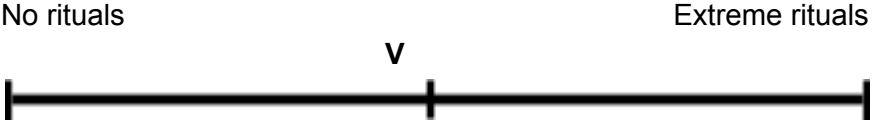

Knows her plan for the future, but has no control over her parents' perception of her. Has power by having a real relationship with Pierre, but not a need for control in the cult.

Superstition — Belief

Believes in herself but has a hollow belief that her science classes will be her saviour. Doesn't believe in the cult's worship.

No rituals — Extreme rituals

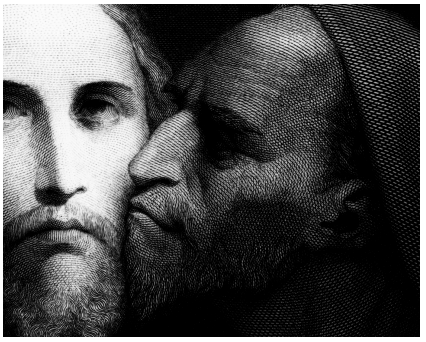

Performs the rituals of science. Performs the rituals in the cult but only insofar as it keeps her safe. Testing the waters to know how much she needs to perform.

Name : **Aurélie Laurent**

Age : 16

Role : The Bookkeeper

Motivation :

- Extremely smart, good grades
- Often overlooked by others despite her intelligence
- Cecile gets all the attention for being so pretty
- Resentful

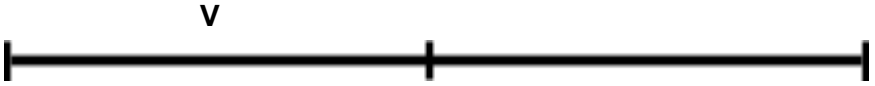

Intention :

- Wants to be recognized for her intelligence
- Actually very strategical, rebels against Cécile
- Expose Cécile's sexual orientation

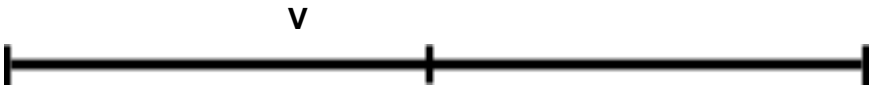

Obstacles :

- Cécile becoming too powerful (perceived)
-

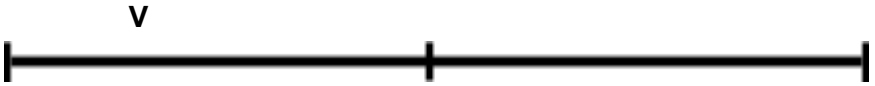

Blindness — Seeing

Control — Power

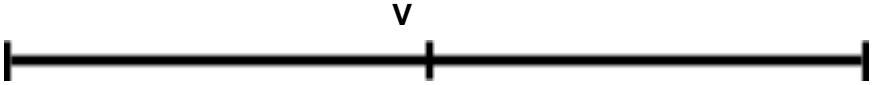

Superstition — Belief

Active cult member.

Seen — Looked at

Active member of the cult

Name : **Cécile de la Rochefoucauld**

Age : 15

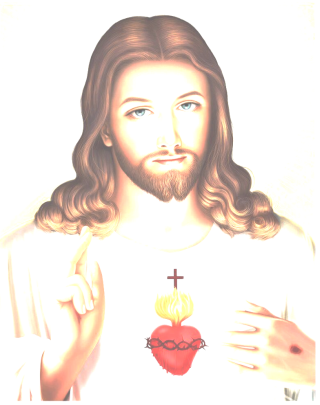

Role : The Cult Leader

Motivation :

- To be loved; her parents are always away, she has a tense, distant relationship
- She had to live with her cousins for a while -- Cinderella when living with her cousins; not fully accepted when living there
- Needs to be accepted away from home
- Empathetic to other's loneliness

Intention :

- Bring together the collective, the family relationships that she doesn't have
- Maintain social hierarchy: best makeup, best hairdo, best shoes
- Obsessive and controlling others in the cult, but good inside
- Hide her sexual orientation (pass as feminine)

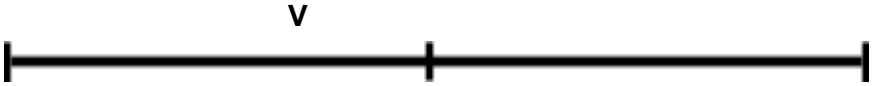

Obstacles :

- Fear of what people will think of her identity
- Aurélie taking her power
- Stigma against queerness

Perceptions :

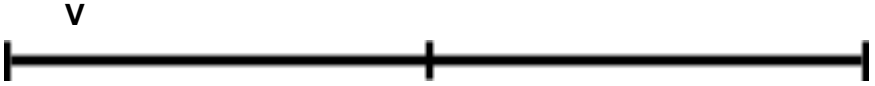

- Admiration
- Mother figure
- Bullies others to ensure their participation in the cult (peer pressure)

Blindness — Seeing

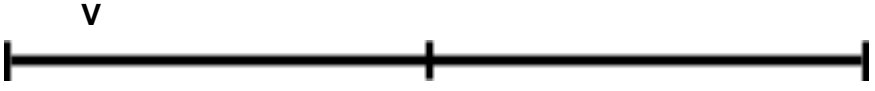

She doesn't need or want Pierre, but she needs to keep up her performance. Can see the cult is a sham but can't see any other way to get what she needs.

Control — Power

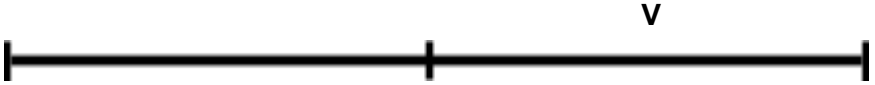

She has no power over what people will think of her true identity, and compensates by having all the control in the cult.

Superstition — Belief

No rituals — Extreme rituals

Name : **Daphné Vaillant**
Age : 14 years old
Role : The True Believer

Motivation :

- Insecure in herself
- Desperate for external validation
- Repressed religious-type, inexperienced with the outside world
- Big crush on Pierre because he's ✨*different*✨
- He's showing her a new world ❤️‍🔥 and she likes it a lot

Intention :

- Desire to be seen and validated by Pierre
- Wants everybody to be thankful
- monitoring the rituals/website (can't handle others getting too much attention from Pierre<3)

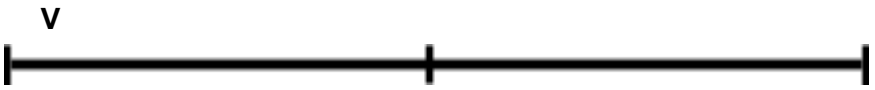

Obstacles :

- Saviour complex
- Cecille / the cult don't want her to be so extreme because it risks outing the cult
- Pierre fears her
- The other girls want her banned from the website

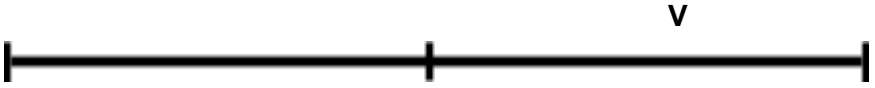

Perceptions:

- Puts the cult in danger from her obsession
- Others are annoyed by her at best, and fear her at worst
- Cecille still wants her in the cult for better or for worse

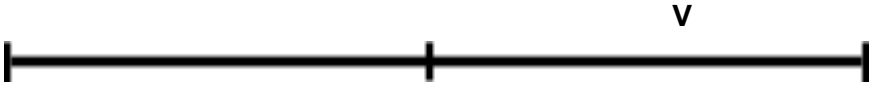

Blindness — Seeing

Control — Power

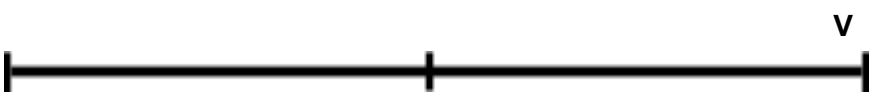

Superstition — Belief

Wholeheartedly believes that Pierre will be her saviour, the cult is real for her. She cannot distinguish between her faith in God and her actions in the cult.

No rituals — Extreme rituals

Name : **Therese Prieuré**

Age : 14 years old

Role : The Scapegoat

Motivation :

- Belief, religious, catholic education,
- Faith in Jesus Christ
- Not really good in school, but prays a lot
- Witness act
- Underrated Jesus archetype leading her own group
- Outside of the cult -> all of them end up turning on her because of religious discrimination

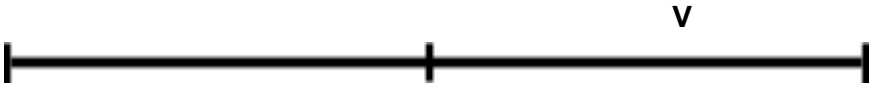

Intention :

-
- Wants to spread the word of Jesus, and make the others as religious as her
- Is interested in Pierre's worldview and wants to converse a lot with him to understand and make him change his vision into a more religious one
- Unnoticed?

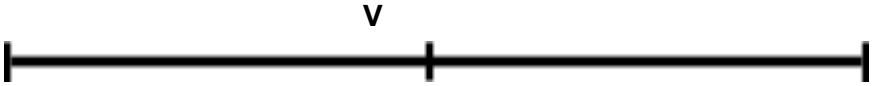

Obstacles :

- Wants to change the vision of the teacher so the other girls want to stop her
- Sacrifice???

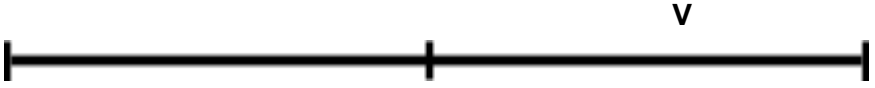

Blindness Seeing

Control Power

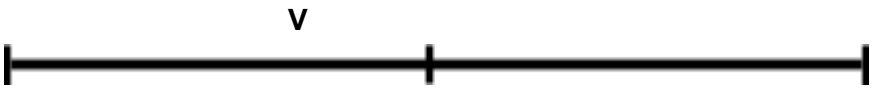

Superstition Belief

I think she can have some doubt about her belief but is interested to the scientific belief in order to be more confident about the religious one

No rituals Extreme rituals

I think she can do some rituals, since she respects him, and can be thankful about the education he can give her.

Name : **Pierre Lafleur**

Age : 38 years old
Role : Only male teacher, science teacher

Motivation:

- He's holding on to his past
- Believes science is the truth
- Ex-catholic; was baptised + confirmed, but couldn't reconcile his scientific beliefs with his religious ones
- Show power over religion

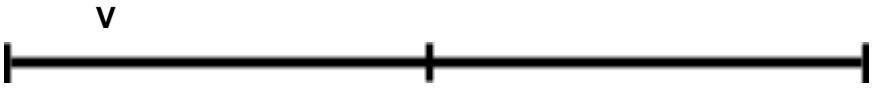

Intention :

- To shape a new generation of young minds
- To spark curiosity in his subject
- To suppress his feelings

Obstacles :

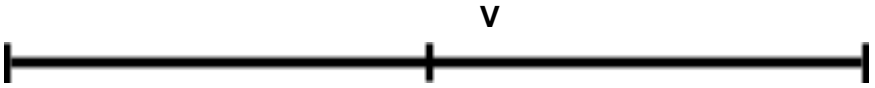

- Rising attention of the girls
- His teaching materials go missing
- Scrutiny from the director
- Mistakes the girl cult as Catholic piety

Blindness — Seeing

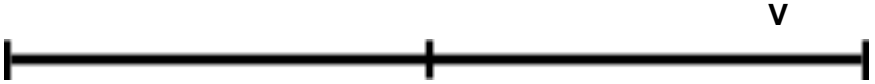

Doesn't even have half a clue what's going on with the girls. Doesn't believe in God but understands Him.

Control — Power

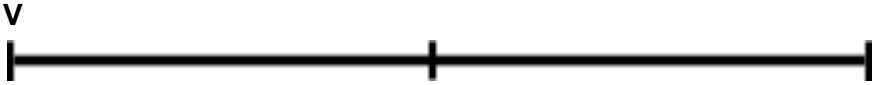

Superstition — Belief

Confident in his beliefs about science, but holds within him a seed of doubt for the things that he cannot understand.
